

BREAKFAST INVITATION

Securing Your Digital Exams

-  Thursday 1st of December 2022
-  8.30am – 9.30am
-  Sandringham Room

Winner of the **“Test Prep Solution of the Year”** - 2022 EdTech Breakthrough awards program.

Join us for breakfast at the upcoming UCISA conference and find out how Examena can secure digital exams for your institution.

“*Test-takers need the ability to test from their own personal devices - and from anywhere - while institutions need to provide a secure setting that’s equitable to all participants.*”

“Examena represents a ‘breakthrough’ to address these challenges, replacing traditional e-exams systems that cause frustrations over unfair testing environments in the online exam experiences of students” ”

- James Johnson, managing director, EdTech Breakthrough Awards Program.
