## This session ...

- 1 Taking place in our new digital learning classroom, we will introduce you to the **Future Facing Learning** principles.
- 2 It will provide you with an opportunity to think about new practises and ideas whilst working with your peers.
- 3 As part of your ongoing digital upskilling, you will be introduced to the Jisc Discovery Tool that will help frame your digital development in a professional context.

### ► Future Facing Learning

- Deploying Content
- Promoting Curation
- Fostering Collaboration
- Nurturing Creation
- Measuring Impact

612 staff have completed the Digital Development Programme

95.5% of participants were satisfied with the Programme

### Reading list

Bennett, S., Maton, K., and Kervin, L., (2008). The 'digital natives' debate: A critical review of the evidence. *British journal of Educational Technology*, 39 (5), pp.775-786.

### Toolkit

The programme is supported by Microsoft Office 365 and apps for Future Facing Learning.

85.4% (2018) and 86% (2019) of level 3 and 4 undergraduate responses agree that they have had opportunities to use the FFL Toolkit to enhance their learning during Semester 1

TU iPads  
@TUiPads

Came across a group of Mechanical Engineering students working collaboratively on their iPads in the cafe today.
